Meeting called to order at 7:00

Speaker Julian Wolf, Denver Animal Shelter 121 W. Bayaud

It is a open door shelter. Provides low cost vaccines @ \$15

Free spay and neuter in low income areas

Speakers Jasmin Barco and Sonya Hansen Eco-Cycle

Denver has goal by 2020 to be average, national average for recycling is 34% Denver is 22%

Recycling doesn't include apartment buildings. Denver is investigating a pay as you throw trash

Current trash is considered to be free because paid for through general fund. They believe that if anything is free should be recycling and composting

CM Wayne New - Working with our neighborhood for traffic mitigation plan for speed control. Believes that it should encompass entire neighborhood rather than one small area. Glad to help with any survey that we put out

Historic Preservation - Eleni, Rodney and Vicki are working to form a committee to preserve integrity of neighborhood. Rodney will have table at Ice Cream social. Eleni discussed the Kortz family presence in Congress Park and the residences built near National Jewish.

Ice Cream Social will be publicity will be on social media, much cheaper and cost effective

Botanic Garden update - Vicki Liz Goehling is now one of our reps to NAC. Some evidence of homeless encampment on slope facing Botanic Garden owned by Denver Water.
