

NEIGHBORHOOD Climate Action Forum

Facilitated by Accelerate Neighborhood Climate Action &
Congress Park Neighbors Green Team
1100 Fillmore Street

FRIDAY, OCTOBER 6

6:30PM to 8:30PM

in the Sanctuary

Join us Friday evening as we dive into climate issues, from the global to regional perspective.

Learn from local experts about the science and what we can do to combat climate change. Help us envision our neighborhood's future as we explore initiatives and activities to take meaningful climate action in our lives.

SATURDAY, OCTOBER 7

1:00PM to 5:00PM

in the Social Hall (basement level)

Come back on Saturday for a facilitated discussion that will guide our Congress Park Neighborhood from vision to action. Together, we will identify assets and barriers, brainstorm and prioritize projects, and set action plans for each project. These plans will guide our local efforts over the next 1-2 years.
