21. I wrote a blog about how you guys are working with three names for relatively the same are a- MyColfax, Bluebird Beat and Colfax on the Hill. I think you are doing yourself a disservice by marketing (three different websites) with three names. Pick one - make sure it sthe coolest. The coolest is East Colfax - which doesn't happen to be any one of the three websites. Colfax is famous and awesome, and a cool name - so you should go with that.	Wed, 9/10/08 9:26 AM
