5	Daily I see cars race through (east and west) the stop signs at 12th and Elizabeth. It would be so much safer to have a light at that corner, though it is close to Josephine and York & 12th. It is truly dangerous for mothers with small children, the elderly, people with dogs, and others. I have lived in this neighborhood since 1976, and I believe if you ticketed drivers who went through that stop sign, you would add enough money to the city's coffers to pay for the light.	8/20/2018 9:17 PM
