DEPARTMENT OF EXCISE AND LICENSES

DEPARTMENT OF EXCISE AND LICENSES, JUNE 2012

Rules and Regulations Pertaining to the Taxi/Herdic License

This Rule and Regulation will not replace or supersede any existing rules and regulations pertaining to the application for or issuance of a taxi/herdic license. This Rule requires that licensed taxi/herdic drivers display two (2) separate visible licenses in their vehicles, in addition to the currently required pocket-sized driver identification card.

1. Licensed taxi/herdic drivers shall display one (1) license, such license to be issued to the licensee by the Department of Excise and Licenses, visible from the front passenger side exterior of the vehicle for hire operated by the licensee, as directed by the Department.
2. Licensed taxi/herdic drivers shall display one (1) license, such license to be issued to the licensee by the Department of Excise and Licenses, visible from the rear interior of the vehicle for hire operated by the licensee, as directed by the Department.
